Tim Gates donated a camp chef last year and will donate the solo stove this year. Plan everything as usual. Bike racks will be put together the day before the race. This year the race will be on August 27th. Still have a lot of t-shirts available from last year. Maybe just order a few sizes that are low. Reach out to the BV Prevention Coalition to see if they will purchase the shirts again this year.

5. Department Reports:

Mayor Syrett: Taryn working on post for the stop sign by park. It must be a break away post and we do not have any on hand. Can we pay UDOT to install? Reach out to the regional office in Richfield and find out if we can pay them to install since they have all the equipment. Jean has a contact that may be able to help. Jeff Moore will be here for weeds and bug control. Need to spray the weeds in-between rocks on main street.
